GVMANTRA

MANTRA OF SUCCESS

SALESFORCE PARTNERS

GV TEAM

Gulshan brings **23+ years** of industry experience, with **19+ years** dedicated to the Salesforce platform. A **16x Salesforce Certified** professional, he has led and delivered **numerous Salesforce projects**, ranging from small implementations to complex enterprise solutions.

With deep technical knowledge and a passion for innovation, Gulshan continues to drive high-quality Salesforce solutions that empower businesses to achieve success.

Gulshan Middha
Founder & Salesforce Architect

A **25x Salesforce Certified** expert, Vikram has 20 years of industry experience, with 18+ years in Salesforce.

As a **Certified Salesforce Technical Architect**, he brings deep expertise in designing scalable, high-performance architectures. His prior role as an Enterprise Architect at Salesforce involved supporting large customers with strategic guidance and technical excellence.

Vikram Middha
CTO & Salesforce Certified Architect

ABOUT US

GV Mantra, established in Nov 2018, is a proud Salesforce partner dedicated to delivering exceptional solutions across various Salesforce clouds.

Our commitment to **quality and client satisfaction** has enabled us to successfully complete numerous projects, each tailored to meet the unique needs of our clients.

We have the capability to implement and deliver Salesforce **projects end-to-end** or provide **skilled Salesforce experts** to work alongside your team for seamless project execution.

By leveraging the robust capabilities of the Salesforce platform, we empower businesses to streamline operations, enhance customer relationships, and drive growth.

At GV Mantra, we prioritize understanding your specific requirements to provide solutions that not only meet but exceed expectations, **ensuring your success** in today's competitive landscape.

GV VISION

Our vision is built on **CHILS** – Collaboration, Honesty, Innovation, Learning, and Satisfaction.

- **Collaboration** – We work closely with our clients and teams to achieve shared success.
- **Honesty** – Transparency and integrity drive our interactions and decision-making.
- **Innovation** – We embrace new ideas and technologies to deliver cutting-edge solutions.
- **Learning** – Continuous growth and skill enhancement keep us ahead in the industry.
- **Satisfaction** – Delivering quality work that exceeds expectations is our top priority.

This vision shapes our approach, ensuring we provide value-driven Salesforce solutions that help businesses thrive.

GV MISSION

Our mission at GV Mantra is to empower businesses with innovative and scalable Salesforce solutions. We enable organizations to focus on their core business while we handle their Salesforce implementation and managed services, ensuring seamless operations, expert support, and long-term success.

GV SERVICES

At GV Mantra, we offer a full range of Salesforce services to help businesses maximize their investment in the platform.

01 End-to-End Project Delivery

We manage Salesforce projects from start to finish, covering Discovery, Design, and Implementation. Whether it's a new greenfield implementation or enhancements to an existing setup, we ensure a seamless and effective solution tailored to your business needs.

02 Enhancements & Optimization

For organizations with an existing Salesforce setup, we provide refinements, customizations, and upgrades to improve efficiency, scalability, and performance.

03 Managed Services

We offer ongoing support and maintenance to ensure your Salesforce environment runs smoothly. Our managed services help businesses stay ahead with regular enhancements, issue resolution, and system monitoring.

04 Expert Resourcing & Team Augmentation

We provide skilled Salesforce professionals to work alongside your team, ensuring efficient project execution under our expert technical guidance. Our experts seamlessly integrate into your operations, bringing deep industry knowledge and best practices.
